

January/February 2022

Bula! From the Leonard family!

We trust that each of you had a wonderful Christmas season and a great start to the New Year!

In early January, we began to feel like we finally had our “American” legs back under us. We were ready to begin planning our furlough schedule only to be hit with our first case of COVID! Thankfully, we only had a few mild cases in the family and recovered quickly.

Praise the Lord, we have already filled up most of our spring schedule! We began our furlough journey Mid-February, traveling between Georgia, Alabama, Tennessee and South Carolina. We are thankful for the great meetings and fellowship with each church, as well as safety on the roads.

In January, I was able to travel with Brother Alan Brooks and a few other men from BIMi to a church in North Carolina. On Saturday, we were able to help the church fill pallets of Bibles and study books for pastors in PNG. We ended the time with a great Missions service on Sunday!

During our furlough, we are also trying to address some health concerns for Benjamin. He has been dealing with some ongoing digestive issues. We have begun working with our doctor on a new diet and supplements to see if this resolves the problem. So far this has seemed to help most of his issues, but please pray with us for his continued healing.

We appreciate your many prayers for our family and your continued support! Please pray for the nationals, pastors and missionaries in Fiji. Many are still trying to navigate the numerous protocols and restrictions for holding church services. We trust that God will give them strength and guidance in the coming days.

In prayer for Fiji,

Robbie and Amanda Leonard
