

March/April 2016

Bula! From the Leonard Family,

**March Highlights:** We were blessed with a busy schedule as we traveled through Virginia, Pennsylvania, and Ohio for various meetings. The Lord blessed with the opportunity to spend Easter Sunday back at Willow Valley Baptist Church in Vinton, Ohio, the church and camp I had the privilege of working at after college. It was a blessing to be available to help Brother Puckett with some work needing done around the camp, and also preach and present on Easter Sunday. Pray for Brother Puckett and Willow Valley Church Camp as they are taking a year to rebuild and update with plans to open again next year.

**April Highlights:** We are thankful for safety as we traveled from Tennessee to Montana in April and covered many miles. I was given the opportunity to attend the Baptist Friends meeting at Crown College to represent BIMl. It was a blessing to speak and encourage young people interested in missions and also share our burden for Fiji with many pastors. As April ended we had the privilege to attend a Mission's Conference in Montana. We are very thankful for God's protection on the trip as we encountered many accidents that happened only minutes before we came upon them. Also on the last day of our travels, we started to have transmission trouble with the Suburban. Thankfully, after a call to another mechanic friend and knowing the problem, I was able to "baby" the Suburban enough to make it home. Please pray as we are now borrowing my dad's car as we are waiting for the Suburban to be fixed.

Praise the Lord six new churches have taken us on for support!

**Family Highlights:** We are excited to announce that we have Baby #3 due November 28! Please pray for Amanda as we travel and she is dealing with a lot of morning sickness.

In prayer for Fiji,

Robbie Leonard and family
