

August Prayer Letter 2015

Bula! From the Leonard Family:

It has been a busy summer for The Leonard Family! As we stated in our previous letter we started the month of June off with Candidate School at BIMI. After our time at Candidate School we jumped into contacting churches, scheduling meeting and visiting local churches. We were also able to being the process of putting our DVD presentation together.

We are so thankful that for the past six years the Lord has allowed us to volunteer at BIMI's Enrichment week each July. This is a week of "Encouragement" for veteran missionaries and their families. The adults have a time of fellowship, good food and relaxation with other missionaries and also a time of being "enriched" by God's Word through services and preaching. The children and teens have a fun week of games, outings and meetings with "Other Kids just like them," as one young missionary girl told us. It was a joy for us to lead and organize the week for the 5-11-year-old children. We take them on fun actives including trips to a local aquarium, cavern tour, amusement park and hayride. This has always been a highlight of our year, and we are saddened this was our last year of heading up these actives.

August has been a great time for our home church and ourselves. Praise the Lord we were able to see three children in our church accept Jesus Christ as their Savior, two of whom come on our bus. We had a wonderful baptism Sunday the following week with a total of five being baptized. It was my privilege to baptize three of the young people.

The Lord is continuing to bless with opportunities to present our burden for Fiji. We traveled to Jacksonville, Florida, and South Georgia and were able to be in five new churches. It was a great time of fellowship, meeting new people and building friendships. We also rejoiced in the opportunity to reconnect and enjoy a wonderful time with a pastor friend we had not seen in many years.

We praise the Lord that while at home we were able to get our transmission rebuilt after we noticed it not working properly. We thank the Lord for His safety that it didn't fail us while traveling this past month. We are looking forward to getting back on the road as the next few months of our calendar is full. Thank you for your prayer and support as we continue our deputation journey.

In prayer for Fiji,
Robbie and Amanda Leonard
