

May/June 2016

Bula! We thank the Lord for a great couple of months serving HIM!

MAY HIGHLIGHTS: We were able to attend three different missions conferences during May. As we stated in our last prayer letter we had some issues with our Suburban's transmission. We praise the Lord we were able to quickly get the Suburban fixed and with most the repairs covered under warranty. It was a blessing to use my parent's vehicle for a few meetings as we waited for the repairs to be completed.

JUNE HIGHLIGHTS: June was an exciting time for us as we were able to attend our final week of classes at BIMI's Candidate School. We enjoyed the time of fellowship with the other missionaries and directors, as well as learning more about Missions and what to expect as we reach our field.

After Candidate School my dad and I were able to travel to Ohio and preach for a church where their pastor had recently passed away. Amanda and the girls stayed home and began preparations for our next trip, as we were leaving home and not returning till late August. Our first stop was Pennsylvania where we were able to help a church during their annual Strawberry Festival for Missions. During the festival we were able to set up our display table and be available to talk with people about missions and also our field of Fiji. Our family felt so blessed to be a part of the festival and help the church reach out to their community.

We then began our travels west as we visited a church in Kentucky, presented in a missions conference near St. Louis, Missouri, and concluded with presenting and preaching in Oklahoma.

Please remember our family in your prayers, as we will continue our travels west visiting churches in New Mexico, Montana and Idaho. Pray specifically for our safety and health during the many miles we travel, the hearts of the people and churches we visit, and pray that we can be a blessing to those we meet along the way.

We praise the Lord for three new churches who have joined with us to reach Fiji for Christ, bring our support level to 30%.

In prayer for Fiji,
Robbie Leonard and family
