September/October 2017 Prayer Letter

BULA! From the Leonard Family!

September Highlights: It was a blessing to hit the fall deputation trail running...or driving that is! Our travels took us to four states and presenting in five new churches. One highlight of our travels was the opportunity to be in my grandmother's church during one missions conference. She had a stroke a few years ago and is now living in a nursing home. She was unable to attend any services, but it was a great pleasure to visit with her at the nursing home while in the area. She greatly enjoyed hearing stories of deputation and the girls singing "Jesus Loves Me" and quoting Bible verses.

October Highlights: October truly was a busy time for our family, and we greatly appreciated all the prayer for our family and God's protection as we drove. We attended seven churches, putting well over 3,000 miles on the Suburban in this month alone! One missions conference in Illinois we were able to do something fun and interesting. Each evening a different missionary would be with the children's class and take a "Plane Ride" to their country. The church had different class rooms decorated as each country represented during the conference. We were able to share fun facts about Fiji and a short lesson. After the lesson, ladies in the church prepare food from each county for the kids to sample. We got to enjoy pineapple, mango juice and Coconut Bread. Alyssa and Brianna really enjoyed their "time" in Fiji as well as the other countries each night.

We praise the Lord we are now at 65% of our needed support.

We again want to thank you for the many prayers as we travel. We praise the Lord for His protection over our family. Please continue to pray for us as we finish out this year of deputation.
