

September-November 2016

Bula! From the Leonard Family!

September Highlights: It was a blessing to finally make a stop back home for a few days during September. We were able to unload some things from the camper and regroup before setting out again for a busy few months. We had the opportunity to visit a few local churches and attend two missions conferences as we finished up September.

October Highlights: We had a short time at home in October and spent this time praying and seeking the Lord on our vehicle situation. Our '03 Suburban was still not running properly, and we were hesitant to continue pulling the camper and traveling many miles with it. The Lord allowed us to sell our '03 Suburban and purchase a newer '07 Suburban from a local dealership. We thank the Lord for His guidance and leading in this situation.

We stayed busy during October with back-to-back meetings and missions conferences. We thank the Lord for filling up our time and giving us safety as we keep the roads busy!

November Highlights: We started out November with one final missions conference as a family before heading back home. With Amanda due with our son on the 28th we felt it best that she remain home for the rest of the month. I had a great opportunity to accompany Brother Alan Brooks to a mission's conference in Winnipeg, Canada, at a church he started 20 years ago. It was also a blessing to have my dad join us on the trip. We had a great time presenting Fiji and the work God is doing in Papua New Guinea with the Bible Distribution Project.

I have also been able to present Fiji in two more churches this month. I am thankful that God has allowed us to be busy for His work.

Family Highlights: October 8 Brianna was able to celebrate her 3rd birthday. A few days prior we were able to have a small party with family while home for a few days. She was so excited to have cake with candles!

We are excited to announce that Benjamin Victor Leonard was born on November 30 at 9:08 pm. He weighed 7 lb 14 oz and is 21in long. He and Amanda are doing well. Thank you for your prayers during this time we will post some more pictures on our website.

Praise the Lord we are now at 45% of our needed support!
